

Network for Inherited Cardiac Conditions Scotland Symposium: Friday 14th November 2025

NHS Education for Scotland, 102 Westport, Edinburgh, EH3 9DN

| Session 1: Sudden Cardiac Death and Arrhythmias | :40 Regis | :40 Registration (Tea/Coffee available) | | |
|---|---|---|-------|--|
| International Composition International Compositional | Session 1: Sudden Cardiac Death and Arrhythmias | | | |
| Perspectives of the Multidisciplinary Team (Dissertation Findings) Debbie Mackin, Genetic Counsellor, NHS Lothian 11:00 Sudden Cardiac Death Pathway Dr Esther Youd, Pathologist, University of Glasgow Helena Davison SCD Coordinator, NHS Greater Glasgow and Clyde Linda Casey, SADS UK Manager and Counsellor 12:00 Case Discussion: Left cardiac sympathetic denervation in inherited long Q syndrome Dr Rachel Myles, Consultant Cardiologist, NHS Greater Glasgow and Clyde 12:30 -13:30 Lunch (not provided) Session 2: ICC Service Provision 13:30 Establishing a Mavacamten Service Dr Will Jenkins, Consultant Cardiologist, NHS Lothian Seona Cooper, Lead Clinical Pharmacist — Cardiology, NHS Lothian New pathways and treatments for Amyloid in Scotland Dr Joanne Simpson, Consultant Cardiologist, NHS Greater Glasgow and Clyde 14:20 Removing barriers to genetic testing for Inherited Cardiac Conditions in th South East of Scotland Philip Greene, Genetic Counsellor, NHS Lothian 14:35 – 14:50 Break (Tea/Coffee available) Session 3: Hot Topics 14:50 Updates on Scottish Research • Biomarkers in SCOTland CardiomyopatHy Registry (Bio-SCOTCH) Dr Fraser Goldie, Clinical Research Fellow, NHS Greater Glasgow and Cl | Zanna | Zanna Christie, Arrhythmia/ICC Specialist Nurse, NHS Tayside | | |
| Dr Esther Youd, Pathologist, University of Glasgow Helena Davison SCD Coordinator, NHS Greater Glasgow and Clyde Linda Casey, SADS UK Manager and Counsellor 12:00 Case Discussion: Left cardiac sympathetic denervation in inherited long Q syndrome Dr Rachel Myles, Consultant Cardiologist, NHS Greater Glasgow and Clyde 12:30 -13:30 Lunch (not provided) Session 2: ICC Service Provision 13:30 Establishing a Mavacamten Service Dr Will Jenkins, Consultant Cardiologist, NHS Lothian Seona Cooper, Lead Clinical Pharmacist – Cardiology, NHS Lothian New pathways and treatments for Amyloid in Scotland Dr Joanne Simpson, Consultant Cardiologist, NHS Greater Glasgow and Clyde 14:20 Removing barriers to genetic testing for Inherited Cardiac Conditions in th South East of Scotland Philip Greene, Genetic Counsellor, NHS Lothian 14:35 – 14:50 Break (Tea/Coffee available) Session 3: Hot Topics 14:50 Updates on Scottish Research • Biomarkers in SCOTland CardiomyopatHy Registry (Bio-SCOTCH) Dr Fraser Goldie, Clinical Research Fellow, NHS Greater Glasgow and Cli | Persp | Perspectives of the Multidisciplinary Team (Dissertation Findings) | | |
| syndrome Dr Rachel Myles, Consultant Cardiologist, NHS Greater Glasgow and Clyde 12:30 -13:30 | Dr Es Helen | Dr Esther Youd, Pathologist, University of Glasgow Helena Davison SCD Coordinator, NHS Greater Glasgow and Clyde | | |
| Session 2: ICC Service Provision | syndı | syndrome | Τζ | |
| 13:30 Establishing a Mavacamten Service Dr Will Jenkins, Consultant Cardiologist, NHS Lothian Seona Cooper, Lead Clinical Pharmacist – Cardiology, NHS Lothian 13:55 New pathways and treatments for Amyloid in Scotland Dr Joanne Simpson, Consultant Cardiologist, NHS Greater Glasgow and Clyde 14:20 Removing barriers to genetic testing for Inherited Cardiac Conditions in th South East of Scotland Philip Greene, Genetic Counsellor, NHS Lothian 14:35 – 14:50 Break (Tea/Coffee available) Session 3: Hot Topics 14:50 Updates on Scottish Research • Biomarkers in SCOTland CardiomyopatHy Registry (Bio-SCOTCH) Dr Fraser Goldie, Clinical Research Fellow, NHS Greater Glasgow and Cli • Genetic testing in advanced heart failure | | | | |
| Dr Will Jenkins, Consultant Cardiologist, NHS Lothian Seona Cooper, Lead Clinical Pharmacist – Cardiology, NHS Lothian 13:55 New pathways and treatments for Amyloid in Scotland Dr Joanne Simpson, Consultant Cardiologist, NHS Greater Glasgow and Clyde 14:20 Removing barriers to genetic testing for Inherited Cardiac Conditions in the South East of Scotland Philip Greene, Genetic Counsellor, NHS Lothian 14:35 – 14:50 Break (Tea/Coffee available) Session 3: Hot Topics 14:50 Updates on Scottish Research Biomarkers in SCOTland CardiomyopatHy Registry (Bio-SCOTCH) Dr Fraser Goldie, Clinical Research Fellow, NHS Greater Glasgow and Cli Genetic testing in advanced heart failure | | | | |
| 13:55 New pathways and treatments for Amyloid in Scotland Dr Joanne Simpson, Consultant Cardiologist, NHS Greater Glasgow and Clyde 14:20 Removing barriers to genetic testing for Inherited Cardiac Conditions in th South East of Scotland Philip Greene, Genetic Counsellor, NHS Lothian 14:35 – 14:50 Break (Tea/Coffee available) Session 3: Hot Topics 14:50 Updates on Scottish Research • Biomarkers in SCOTland CardiomyopatHy Registry (Bio-SCOTCH) Dr Fraser Goldie, Clinical Research Fellow, NHS Greater Glasgow and Cli • Genetic testing in advanced heart failure | Dr Wi | Dr Will Jenkins, Consultant Cardiologist, NHS Lothian | | |
| South East of Scotland Philip Greene, Genetic Counsellor, NHS Lothian 14:35 – 14:50 Break (Tea/Coffee available) Session 3: Hot Topics 14:50 Updates on Scottish Research • Biomarkers in SCOTland CardiomyopatHy Registry (Bio-SCOTCH) Dr Fraser Goldie, Clinical Research Fellow, NHS Greater Glasgow and Cli • Genetic testing in advanced heart failure | New p | New pathways and treatments for Amyloid in Scotland Dr Joanne Simpson, Consultant Cardiologist, NHS Greater Glasgow and Clyde | | |
| Session 3: Hot Topics 14:50 Updates on Scottish Research • Biomarkers in SCOTland CardiomyopatHy Registry (Bio-SCOTCH) Dr Fraser Goldie, Clinical Research Fellow, NHS Greater Glasgow and Cli • Genetic testing in advanced heart failure | South | South East of Scotland | 16 | |
| 14:50 Updates on Scottish Research • Biomarkers in SCOTland CardiomyopatHy Registry (Bio-SCOTCH) Dr Fraser Goldie, Clinical Research Fellow, NHS Greater Glasgow and Cl • Genetic testing in advanced heart failure | 4:50 Break | l:50 Break (Tea/Coffee available) | | |
| Biomarkers in SCOTland CardiomyopatHy Registry (Bio-SCOTCH) Dr Fraser Goldie, Clinical Research Fellow, NHS Greater Glasgow and Cl Genetic testing in advanced heart failure | | | | |
| Novel/molecular imaging techniques in hypertrophic cardiomyopathy Dr Tariq Ramatoola, Clinical Research Fellow, NHS Lothian | | Biomarkers in SCOTland CardiomyopatHy Registry (Bio-SCOTCH) Dr Fraser Goldie, Clinical Research Fellow, NHS Greater Glasgow and Composition Genetic testing in advanced heart failure Dr Simon Hobson, Clinical Research Fellow, NHS Greater Glasgow and Novel/molecular imaging techniques in hypertrophic cardiomyopath Dr Tariq Ramatoola, Clinical Research Fellow, NHS Lothian | Clyde | |
| 15:20 Scottish Cardiac Audit Programme and ICCs Jacqueline Campbell, Principal Information Analyst, Public Health Scotland | | | | |
| 15:30 Exercise Risk in Cardiomyopathies Dr Caroline Coats, Consultant Cardiologist, NHS Greater Glasgow and Clyde | | | | |
| 15:55 Closing Remarks Zanna Christie, Arrhythmia/ICC Specialist Nurse, NHS Tayside | | | | |
| 16:00 Close | Close | Close | | |

NICCS Steering Group will take place from 9:30 - 10:30
