

Scottish Paediatric & Adult Infection & Immunology Network

2025 Education Programme

SPAIIN is hosting education sessions aimed at health care professions with an interest in infectious diseases and immunology. The education sessions last for an hour and will take place at lunchtime on the last Thursday of alternate months via MS Teams. Sessions will be recorded and available to watch at a later date via our dedicated SPAIIN Education MS Teams Channel.

If you would like to attend any of these sessions, or be added to our SPAIIN Education MS Teams channel to view previous sessions please email nss.spaiin@nhs.scot
